

# SUCCESS STORY

## TURNKEY® Rhino 5 x TKN13 1590 PR-R

**Location** : Switzerland

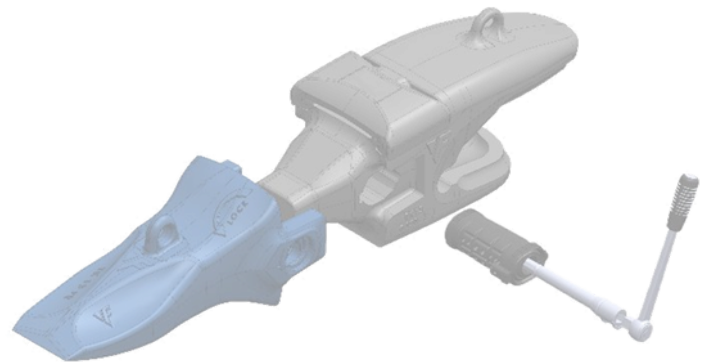

**Extracted Materials** : Basalt

**Machine** : HITACHI ZX 470 - 50t Excavator

### ” CUSTOMER'S OBJECTIVES

Our customer had several expectations when choosing the parts to equip his future bucket:

- High resistance of teeth
- Extra long life adapters
- Teeth Self-sharpening with a perfect fitting
- Zero machine downtime

### “ RESULTS

***Very satisfying results compared with the competitor's system :***

- Self-sharpening of teeth confirmed
- Wear ratio increased by up to 70%
- Convincing hammerless system
- Better soil penetration
- Very easy assembly & disassembly
